Homer Community Schools...A Tradition of Excellence since 1835

ALUMNI PLAZA

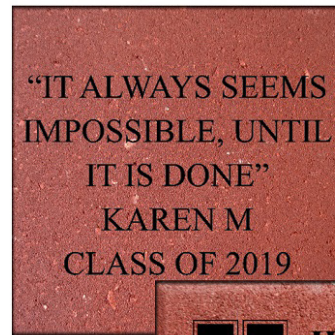

Homer Community Schools invites you to create a long-lasting memory to honor or recognize current and former students, community members, local businesses, friends, family members, neighbors and other school stakeholders. You can do this by participating in our new Alumni Plaza Brick Project that will be located at the Main Entrance (Circle Drive, Flagpole, Spirit Rock Area) to Homer Community Schools.

The Alumni Plaza Brick Project will be funded by your purchase of bricks inscribed with names, accomplishments, organizations, businesses, teams, clubs, or special memories. Act now to become a permanent part of our new Alumni Plaza.

Installation is scheduled to begin in the Summer of 2019.
